Enabling P2P Payments in NetTeller

 Once logged into NetTeller, access the My NetTeller link which can be found on the toolbar under the Main tab. Note: You may have the My NetTeller page set as your Start Page already. If so, this step will not be necessary. If not, it's recommended that you set this page as your Start Page. (See below)

- 2. Click the **Configure This Page** hyperlink.
- 3. Once the <u>Widget Settings</u> window appears, click the **Plus (+)** sign for the <u>P2P Payments</u> widget. Save settings. Note: By default, the widget will be added to the Left Column. You could change this by selecting a different column from the "Select Column To Configure" drop down menu. If you do this the widget will appear at the bottom of whichever column you have selected.

)rag and drop or use the (+) to add widgets	to your view or (-) to remove them. Al	so, drag and drop the order the	ey will appear.
